

eyes and trying to wake
up. Finally she saw
her teddy bear and
her "nigger" doll in the
doll buggy. Well, her
face lit up like a
light and she said,
"Ook-wee" and went
over & got both of them
in her arms. I then
got her a few of the
small things and
unwrapped, or helped
her mother. All the
time she was hanging
on to the nigger and
bear. Every time we
opened something she
would look at it and
