EASTERN AIR LINES

THURS AFT.

DEAR TRUDIE + POP:

Just got on the plane to go to Montgomery. I have been trying to get around to writing but just haven't seemed to find time.

I came to Greenville last Thurs. night. Browne came up Fri. morn & we closed out the house Monday and she went back Tues to start getting ready to move. The trucks will load out Sat. We will drive up Sunday. The trucks will unload Monday at our new home. So right shortly now we will be

SOUTH CAROLINIANS.

We opened a Temporary office at the new plant last Friday and a young girl, new secretary and I have been taking applications and interviewing this week. I have also been trying to get things lined up which we will need to start up the plant.
