THURS NIGHT

Dear Trudie & Pop;

Well, imagine my pleasant surprise when I came in tonight and found I had a letter from you. I sure ~~was proud~~ to get it.

Then on top of that Brownie called me and said she had talked to you.

Things are going along real good in my work. I will be here at the Motel through next week. Then the week beginning Aug 17, ~~th~~ I will leave here and go up into Mass. & Maine
