a few days.

For dinner tonight I had soft shell crab. They sure were good. They were full size crab but no hard shell. As the fellow said, "You eat everything on the plate."

I'm glad you are selling some of the houses. They are just too much trouble for you to look after.

Yes we are buying the house. The rooms are about like our house in Montgomery in size. You will just have to come see it.

Better go to bed.
Lots of love
