

Burt had a long week-end  
at the mill so he and his  
family came up while we were  
there. Brownie + I went to  
New York on Sat. Morning and  
back Sunday afternoon. I  
never had so much fun  
in all of my life laughing  
at Brownie. You talk about  
the Country gal going to  
the City, she was it. I  
wouldn't take anything for  
having taken her up. We  
crowded an awful lot into  
a 24 hr. period.
