

4155 TEXTILE MACHINERY (ERECTOR) & I PLAY A  
ROUND OF GOLF. WE HAVE A LOT OF FUN  
AND IT SURE DOES HELP PASS THE TIME.  
NO ONE TAKES IT SERIOUSLY & WE HAVE A LOT  
OF LAUGHS. THE MILL IS COMING ALONG REAL  
GOOD. WE HAVE ONE COMBER OPERATING  
& SHOULD HAVE ANOTHER ONE BY THIS  
WEEK-END. IT MAYBE THE LAST ONE EARLY  
NEXT WEEK. WE HAVE HAD SAMPLES IN  
SEVERAL KNITTING MILLS & THE YARN RUNS  
GOOD. WE HAVEN'T BEEN ABLE TO SELL MUCH  
KNITTING YARN YET THOUGH. SO THE MILL  
OPERATION IS COMING ALONG FINE IF WE  
CAN JUST GET SOME YARN SOLD & THE  
FINANCIAL END OF IT COME ALONG. "PACO"  
(FROM GUATAMALA) IS SUPPOSED TO COME  
BY THIS WEEK.

MIGUELITO & MORRISIO ARE BOTH  
SICK & BEEN RUNNING A VERY HIGH TEMP.  
MIKE TOLD ME TODAY HE THOUGHT THEY WERE  
FIXING TO HAVE THE MEASLES. I HAVEN'T SEEN  
CHELLA IN OVER A WEEK, HOWEVER MIKE SAYS  
SHE IS FINE.

I SURE AM SORRY THAT ROBERTA IS  
HAVING TO GO THROUGH THE SAME THING WITH  
HER SISTER AS SHE DID WITH BILL. WOULD  
IT BE GOOD IF I BRING HER ONE OF THOSE  
SILVER PINS FROM HERE. JUST SOMETHING FOR  
BEING SO NICE TO JIM.

IT IS 10:30 SO GUESS I HAD BETTER  
GO TO BED. (WISH IT WAS THAT KING SIZE ONE)

(GLAD YOU GOT A  
RAISE)

I LOVE YOU
