

I am beginning to get a little tired but am doing O.K. I arrived here around noon Friday and it was a holiday so I rested Fri. afternoon worked Sat. morning and rested Sat. afternoon, and did not do much today. I went from one end of Pakistan to the other and ate good I thought I would never eat - Not sick the first time. Then left Pakistan to Bangkok, had one meal in one of the finest Hotels in this part of the world and BANG. I was sick as a male. Didn't take long to get over it though. I'm in real good shape and feeling good. See a big freighter going out to sea.

Been reading about M.L. King. The papers here are really blowing it up, also the riots, looting, and burning in the various large cities. Sounds like the Politicians are really making hay for the Negro vote in relation to the situation.

Cause I had better quit and write a report on two or I won't catch up. I love you
 Winit.
