

home say you did come to
Uncle Tom's while I lived
with them. I must have been
rather small. I remember
Mitchell & Uncle Matthew.

Then I met Aunt and Tom
in Oklahoma while I lived
with Uncle Genie.

I use to have letters from
Mitchell while he was in
Ada. ~~He was in~~ I heard from
him since he went to New

Mexico. I am very anxious
to have his address again.

Last week my husband
met a Mr & Mrs Breedlove
that were members of Mitchell's
Church in Ada for years.

They are also anxious to
hear from him as this
was the 1st time they
have not heard from him since
