please send me their add.
and tell me something about
Mitchell's health. These friends
were so worried about him.

Our baby girl spent four
years in Waco at Baylor
University. Had we known
how to locate you, or that
you were so near by, we
would have had her get
in touch with you. She
knew a man in school
whose name was Epperson
but I do not know where he
was from. He was an older
person than Verelda and I
believe was studying for
the ministry.

We have both of our children
at home now. They both teach
